Celebrating 29 years of service, The Sandy Springs Society is a 501(c)(3) women's organization dedicated to improving the quality of life in Sandy Springs, Georgia. We are one of the largest philanthropic agencies in Sandy Springs and through our annual grant process have raised and distributed more than \$3 million to community non-profits.

The Society raises grant money by presenting The Elegant Elf Marketplace each November and our "upscale resale" event, Tossed Out Treasures, each March. We are also grateful to the many foundations, businesses and individuals who have supported the Sandy Springs community with generous cash donations and in-kind gifts. Their partnerships help make it possible to provide social services, protect our environment, support the arts and honor our rich heritage in Sandy Springs.
